If a SVHC is in a product to an extent of higher than 0.1 % by way of exception, this is mentioned in chapter 3 and in chapter 15 of the corresponding Safety Data Sheet. Based on the information of our raw material suppliers, I confirm that all substances in our products are registered according to the legislation or exceptions from the registration obligation are applicable. I confirm to you that we respect relevant restrictions. Furthermore, I confirm that no SVHC are in the packaging of our products to an extent of higher than 0.1 %.
