Application and Use

- delimer for small heating appliances, boilers, coffee machines, resistances, steamers, kettles ...
- USE
  continuous use appliances: fill the appliances with delimer up to about 1/5. Turn on the appliance until 1/3 of the delimer is used up. Let it act at least 10 minutes. Turn on the appliance again and until another 1/3 of the delimer is used up. Let it act another 10 minutes. Turn on the appliance once more until the rest of the delimer is used up. Then, let the entire content fo the reservoir empty out at least twice and rinse carefully.
- closed appliances: fill the appliance with enough CA BUSTER RTU to wet all scaled surfaces. Depending on the amount of dirt, CA BUSTER RTU can be diluted with water. Let the product act or circulate until the lime scales have disappeared. After this, ALWAYS rinse thoroughly.
