CONFIRMATION - HACCP conformity

Dear Sir/Madam,

hereby we declare that **CA BUSTER HD** can be used in a HACCP-controlled environment, provided that all cleaned surfaces are rinsed with potable water. When used according to the instructions found on the technical datasheet, no noticeable odor or visible residue will be left after use. As such, this complies with EU regulation EC1935:2004 on food contact materials.

For further request we remain at your disposal.

Best regards,

Mit freundlichen Grüßen,

Tech-Masters Trading GmbH
