SAFETY SCRAPER

GENERAL INFORMATION

SAFETY SCRAPER is a safety blade that is manufactured from strong plastic and which does not leave any scratches on the surface either.
SAFETY SCRAPER is not an ordinary razor that breaks easily. This safety scraper

does not break!

You can put the SAFETY SCRAPER into your pocket without any risk thanks to its handy locking system and it can be found easily with the help of its noticeable colour.

APPLICATION AND USE

- quickly removes stickers and adhesives on most surfaces such as glass, metal, plastic, ...
- ideal for removing mouldings, adhesive tapes and emblems
- also suited for packaging and seals on mechanical components
