Following inhalation:

Provide fresh air. In the event of irregular breathing or respiratory arrest, seek medical assistance immediately and initiate first aid measures. In case of respiratory tract irritation, consult a physician.

In case of skin contact:

Wash with plenty of water and soap. If skin irritation or rash occurs: Get medical advice/attention.

After eye contact:

Rinse opened eye immediately with plenty of water for at least 15 minutes. Remove contact lenses. If symptoms persist, consult a doctor.
