APPLICATIONS GUIDE

[YOUR ADDRESS]

The absorbent recycling pack offers a particularly effective, quick and ergonomic solution to tackle spills of liquid or viscous substances, particularly in the areas and applications listed below:

WATER TREATMENT
Ideal absorption of **flocculants** (gel, powder, liquid) used in water treatment plants.

LOGISTICS PLATFORMS
Fast handling of spills from falling pallets or packages.

MACHINING - BAR TURNING
Cleaning and drying of oil stains on workshop floors.

PARKINGS
Cleans oil stains: easy handling via elevator. Avoids neutralizing parking spaces: instant absorption.
No need for additional scrubbing.

TRANSPORT
Cleaning of bus storage and maintenance depots, fleet parking lots, classic cars, camping cars...

SERVICES STATIONS
Bay cleaning: easy to use with the cart.

WORKSHOPS
Immediate cleaning of any spills and keeping the environment neat and tidy.**Time saving and better productivity** for all operators; **improved company image**. Works very well on **AdBlue**, avoids white streaks on the floor.

PLASTICS MANUFACTURING
Quick response to **hydraulic hose** rupture.

DIY STORES
Quick response for any spills, including paints.

GROCERY SHOPS
Practical alternative to clean spills of liquids and other substances. No need to clean the vacuum cleaner afterwards.

DEMOLISHERS AND ELV CENTERS
Cleaning of dismantling areas and recycling of end-of-life vehicles.

AGRICULTURAL DEALERS
Instant absorption, avoids soil contamination and limits reprocessing.

AGRIFOOD INDUSTRY
Ideal for gelatinous products spillages or broken eggs.

AERONAUTICS
Rapid treatment of spills in **maintenance areas** (often by a cleaning company).

CAROSSERIE
Suitable for paint spills.

HEAVY GOODS VEHICLES
Ideal for **brake dust** spilled when dismantling wheels, prevents black marks.

INCINERATOR
Treatment of spills in the event of **hydraulic hose** rupture.

AND MANY OTHER FIELDS...
CONSTRUCTION, RAILWAYS, EQUIPMENT RENTAL COMPANIES, PRINTING PLANTS, MUNICIPAL WORKSHOPS, WASTE COLLECTION CENTERS, COOKING OIL COLLECTORS, PUBLIC ADMINISTRATION, EDUCATION...

THE ABSORBENT RECYCLING PACK **FOR CLEAN, SAFE AND TIDY WORKSPACES.**
