# CARE & PROTECT POLISH

**CLEANING, POLISHING AND PROTECTING - ALL IN ONE**

- Convenient and simple application: spray - polish - done!
- For the cleaning and protection of surfaces
- Ready-to-use
- Acts without water
- Safe to use on most material
- Leaves a streak-free shiny surface
- Does not turn white on synthetics
- Does not scratch the treated material
- Free from silicones

## General Information

CARE & PROTECT POLISH is your powerful all-in-one solution for the cleaning and protection of synthetic material as well as lacquered and painted surfaces.
The special formulation without silicones and abrasives makes it safe for the use on various materials.
CARE & PROTECT POLISH is very economical in use and cleans, polishes and protects in just one simple application.
The product acts without water and leaves a streak-free, shiny surface.
Thanks to its high-quality ingredients CARE & PROTECT POLISH does not turn white on plastic parts making it ideal for the treatment of car and motorbike parts.

## Technical Information

Form: liquid
