

MATERIAL SAFETY DATA SHEET

Based on Regulation (EC) No 1907/2006 Article 31 and Annex II - published on 07/12/2012

SEALTAPE

1. Chemical product and company identification

1.1. Product identification

Product name SEALTAPE

1.2. Application of the article

Silicone self-fusing tape

1.3. Company identification

TECHNIQUA HANDELS GmbH

Reichenhaller Straße 15

D-83451 Piding

Tel: +49 (8651) - 767 62 51

E-Mail: sales@techniqua.de

1.3. Emergency information

Poison information center

Tel: +49 (0) 6131 - 19240, Langenbeckstraße 1, D- 55131 Mainz

2. Hazards identification

There are no health hazards associated with this product in normal use.

Inhalation Void

Skin contact May cause mild irritation in sensitive individuals

Eye contact May cause mild irritation in sensitive individuals

Ingestion Void

3. Composition/information on ingredients

| Chemical name | CAS # | Wt. % |
|----------------------------------|------------|-------|
| Polydimethyl Silicone Rubber | 63394-02-5 | 90-95 |
| 2,4 Dichloro Benzoyl Peroxide | 133-14-2 | 1-5 |
| Iron Oxide (white) | 130-37-1 | 0,5-5 |
| Dicumyl Peroxide (black and red) | 80-43-3 | 0,5-5 |

4. First aid measures

Inhalation Remove to fresh air. Get medical attention if ill effects persist.

Skin contact Wash affected areas with soap and water. Seek medical attention if irritation persists,

Eye contact Flush eye with water for 15 minutes and call a physician.

Ingestion No first aid should be necessary, however, consult with a physician as a precaution.

5. Firefighting measures

5.1. Extinguishing media

Water, water fog, dry chemical, foam or carbon dioxide.

5.2. Precautions

Firefighters should wear self-contained breathing apparatus and protective equipment.

5.3. Hazardous products of combustion

Carbon monoxide, carbon dioxide, silicon dioxide, formaldehyde and trace amounts of other incompletely burned carbon products.

6. Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures

See 8.

MATERIAL SAFETY DATA SHEET

Based on Regulation (EC) No 1907/2006 Article 31 and Annex II - published on 07/12/2012

SEALTAPE

6.2. Environmental precautions

See 13.

6.3. Methods and material for containment and cleaning up

Spill procedure Remove material from floor. Place in container for disposal if contaminated

7. Handling and storage

7.1. Precautions for safe handling

Keep away from naked fire or sources of heat or ignition.

7.2. Conditions for safe storage

Store product in a cool and dry place.

7.3. Specific use(s)

Wash hands with soap and water after use.

8. Exposure controls/personal protection

8.1. Control parameters

n/a

8.2. Exposure controls

| | |
|-------------|----------------------------|
| Eyes | Safety glasses may be used |
| Skin | Cloth gloves, if needed |
| Ventilation | None required |
| Other | None required |

9.1 Physical and chemical properties

9.1. Information on basic physical and chemical properties

| | |
|-------------------|---|
| Form | Solid |
| Appearance/colour | Black, red or white silicone tape with polyethylene liner |
| Odor | Slightly sweet odor |
| Boiling point | n/a |
| Melting point | n/a |

9.2. Other information

n/a

10. Stability and reactivity

10.1. Incompatible materials

Strong acids, strong bases and strong oxidizers

10.2. Conditions to avoid

None known

10.3. Hazardous decomposition products

Carbon monoxide, carbon dioxide, silicon dioxide, formaldehyde and trace amounts of other incompletely burned carbon products.

10.4. Conditions to avoid

Naked flame or sources of heat or ignition.

10.5. Chemical stability

Stable under normal conditions.

11. Toxicological information

11.1. Acute toxicity

May cause skin or eye irritation with direct contact in sensitive individuals.

11.2. Chronical toxicity

Any chronical damage seems unlikely. If irritation persists seek medical attention.

11.3. Acute damage/symptoms

| | |
|------------|--|
| Inhalation | Any damage seems unlikely |
| Skin | May cause mild irritation in sensitive individuals |

MATERIAL SAFETY DATA SHEET

Based on Regulation (EC) No 1907/2006 Article 31 and Annex II - published on 07/12/2012

SEALTAPE

Eyes May cause mild irritation in sensitive individuals

Ingestion Any damage seems unlikely

11.4. Chronical damage/symptoms

Inhalation Any chronical damage seems unlikely

Skin Any chronical damage seems unlikely. If irritation persist seek medical attention.

Eyes Any chronical damage seems unlikely. If irritation persist seek medical attention.

Ingestion Any chronical damage seems unlikely

12. Ecological information

No ecological issues known.

12.1. Ecotoxicity

No (test)date available.

12.2. Persistence and degradability

No (test)date available.

12.3. Bioaccumulative potential

No (test)date available.

12.4. Mobility

No (test)date available.

No solubility in water.

12.5. Results of PBT and vPvB assessment

Not applicable, based on available information.

13. Disposal considerations

Dipose of product and packaging in accordance with local, regional and national regulations.

14. Transport information

No special measures required.

15. Regulatory information

Classificatio/symbole Not regulated

Directive in force This product does not require classification or labelling under European directives.

16. Other information

This safety data sheet has been drawn up in accordance with European Standard 91/155EEC and with Regulation (EC) No 1907/2006 Article 31 and Annex II. This sheet supplements but does not replace the product technical data sheet. The provided information is based on our knowledge of the product in question as of 28/01/2009 and it is information given in good faith. The attention of the user is also drawn to risk which may be involved when a product is used for purposes other than that for which it is designed. The accuracy of the information given in this sheet cannot be guaranteed. This information, which is given to our customers in good faith, for the sole purpose of informing and assisting them in their research cannot give rise to any formal or implicit guarantee with regard to its use. As result, Tech-Masters Trading shall not be held responsible for any damage of any kind regarding the issue of this document. Similarly, no information contained herein shall be interpreted as an authorisation or recommendation on use of products which would breach rights protected by patent rights.
