CA CLEAN

GENERAL INFORMATION

Ca CLEAN is a cleaner that is ideally suited for deliming and removing rust stains in all sanitary installations with acid-resistant tiling, such as swimming pools, bathrooms, shower stalls, toilets, urinals, ...
 Ca CLEAN is used for cleaning plastic surfaces and stainless steel installations that are often cleaned with alkaline products and heavily rinsed with water.

Ca CLEAN is safe to use and perfect for chromed and stainless steel faucets and pipes.
 Ca CLEAN meets HACCP standards, making the product suitable for the daily cleaning of washing and cooking drums, vegetable processing industry installation, ...
 Thanks to the foam, the product acts no longer on the dirt and does not diminish.
